EXPULSION POLICY

NAME OF CENTER: _____

Unfortunately, there are sometimes reasons we must expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

The following are reasons we may have to expel or suspend a child from this center:

IMMEDIATE CAUSES FOR EXPULSION:

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children.

PARENTAL ACTIONS FOR CHILD'S EXPULSION:

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms
- Habitual tardiness when picking up your child.
- Verbal abuse to staff.

CHILD'S ACTIONS FOR EXPULSION:

- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.

SCHEDULE OF EXPULSION: If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be for a reasonable period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of expulsion period and the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate childcare (approximately one to two weeks' notice depending on risk to other children's welfare or safety). Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

Pandemic Policies and Procedures

Before Arriving at the center:

Before leaving your home each day, please conduct a health check. If your child is ill or someone in your household has COVID symptoms, please stay home and contact us for support in arranging for a make-up session.

Upon Arrival to the center:

A limited number of people are permitted to be in the lobby, please wait 6 ft. apart to bring your child to the Health Check Station. We will implement/assign staggered arrival time as needed to ease the process.

Please note that masks are required to enter the facility. We will work with your child to increase the tolerance of a face-covering during their time with us. Once seated children will be permitted to take off their masks. All adults will be required to always wear a face mask when inside the facility. When children are moving about the center, they will be required to wear a face mask or covering.

Report to the Health Check Station for a Daily Health Check which includes:

- Take the temperature of the child upon arrival.
- Has the child had a fever or felt feverish in the past 24 hours?
- Has the child had a new cough, rash, sore throat, or shortness of breath in the past 24 hours?

If the answer is YES to either question or the child has a fever above 100.4, the student cannot be permitted to participate to ensure the safety of others.

If the answer is NO to both questions and there is no fever above 100.4, the student may enter the center for the day.

A Boom FTK team member will escort your child to wash their hands and will then escort them to their classroom.

The caregiver will depart. Please note if there are separation issues that require an adult to remain on-premises, space is limited, but we will work with you to best accommodate. Any adult remaining after the initial check-in will be required to have a health screening.

Additional Health and Safety Information:

High touch point areas such as handles sink knobs, table surfaces, and benches, will be wiped down with each group transition.

Social distancing will be maintained between class groups and creative spacing will be implemented within the groups to aid the children in distancing as much as possible.

Frequent hand washing will be practiced along with the occasional use of hand sanitizer. Hand washing is implemented upon arrival and at each activity transition.

All students' belongings will be sent home after each day for washing.

What to Bring

- Reusable Water Bottle
- Nut-free snack
- Labeled bag with a full change of clothes, all items must be labeled with child name.
- Student must bring their own device to connect for virtual learning purposes.

Upon Dismissal:

Due to the limited number of people permitted in the lobby caregivers will wait 6 ft. apart. We will implement/assign staggered arrival time if needed to ease the process.

Your child will be brought to you at the front door for dismissal.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel corona virus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

FasTrackKids has put in place preventative measures to reduce the spread of COVID-19; however, the learning center **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending the learning center could increase** your risk and your child(ren)'s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the camp and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the center may result from the actions, omissions, or negligence of myself and others, including, but not limited to, camp employees, volunteers, and program participants and their families. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the camp or participation in camp programming. On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless FasTrackKids and Eye Level Learning Centers, its employees, agents, and representatives, of and from the learning center, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the learning center, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any program.
